Weston

715-359-6114 | westonwi.gov

Population: 15,837

Just east of Wausau, Weston offers top-ranked schools and state-of-the-art hospital systems; attractive neighborhoods with appealing tax rates and a diverse selection of recreational opportunities; shopping centers and nightlife choices.

The Village of Weston boasts that the community is close enough to everything, but far enough away to live in the moment. It's this balance that has brought many residents to the community.

Major employers: Crystal Finishing, HGP100, J & D Tube Benders Inc, Marshfield Medical Center-Weston, Pick 'n Save, Sutton Trans Inc and Wausau Supply Co

Schools: The Village of Weston is home to the D.C. Everest High School, D.C. Everest Junior High, D.C. Everest Middle School, and the district's two largest elementary schools.

Parks: Weston maintains seven parks and two trails.

1 GIG INTERNET • TDS TV®+ • DIGITAL PHONE

See complete details at TDSFiber.com.

High-Speed Internet: Availability varies and speeds shown may not be available at all service addresses. Certain speeds are only offered in areas served by TDS Fiber. Speed ranges shown are expressed as "up to" to represent network capabilities between customer location and the TDS network. Most customers can expect to receive a stable speed within the range of the product purchased as allowed by the quality and capability of the connection; however, actual speeds experienced by customers vary and are not guaranteed. Some customers may receive lower than the indicated speed range. Speeds vary due to various factors, including but not limited to: distance from switching locations, network equipment, delivery technology, and external/internal network conditions. Speed tests may produce inconsistent results due to various factors, including the speed test program or website used, the number of devices connected to the customer's modem, and whether the speed test is conducted over Wi-Fi. Customers that are not receiving the indicated speeds may cancel their service or downgrade to a lower-speed service without any termination or switching charges. Otherwise, a \$15 service charge will apply to existing customers who switch plans without increasing speed or adding qualifying service (residential customers only). Additional equipment may be required and charges may apply. In order to maximize Internet speeds above 100Mbps, a gigabit wired Network Interface Card (NIC) and/or a more advanced wireless NIC, preferably 802.11ac or higher is needed. **Additional Information for Business Internet:** TDS is not responsible for setup and preparation of the wireless router feature of the provided 4-port wireless router. Additional cabling or wiring work is the responsibility of the customer. A one-time shipping and handling fee of \$14.95 applies on the router. Delinquent accounts may lose service. Certain services not available in all areas. Price may vary by serving area and is subject to change without notice. Services subject to TDS Terms of Service at tdstelecom.com/tos, TDS Privacy Policy at tdstelecom.com/privacy, and TDS Acceptable Use Policy at tdstelecom.com/use.
