POWER HOUSE PARTY

*INAUGURAL
FUNDRAISER
FOR THE*

POWERHOUSE

NEW IN 2025!

Timeframe Winter 2025

Attendance TBD

Join the party and help power a historic part of a vibrant business campus in the heart of downtown Wausau. A fundraising committee made up of Directors on the Chamber's Board will build out the details of this program over the coming months.

Built in 1904, the WPS Powerhouse on Clarke Island played a significant role in establishing Wausau as an economic driver in central Wisconsin. In the early 20th century, the Wausau Group built the Powerhouse to harness the hydro power of the Wisconsin River to energize Wausau's city lights, provide power to fledgling business sectors, and operate streetcars. The building remained in use as a power plant until 1946, and between 1979 and 2007, the site was occupied by Wausau Papers.

With the building standing vacant for more than a decade, the structure was to be demolished in 2020. In June of 2021, through a partnership with WPS, the Greater Wausau Chamber of Commerce secured a long-term lease of 20 years to preserve and repurpose the Powerhouse for the 21st Century.

The Chamber's members and the community have an opportunity to preserve a rich part of Wausau's historic past and carry it forward with purpose for the 21st Century. With the historic train depot renovated and the WPS Powerhouse reinvented, historic Clarke Island will become a vibrant 2.8-acre economic development campus intended to serve citizens, entrepreneurs, business, industry, government and K-16 education.

With your help, the historic WPS Powerhouse will be reinvented by The Samuels Group to house the Center for Business and Community Engagement.

POWERHOUSE PARTY

INAUGURAL FUNDRAISER FOR THE POWERHOUSE

Don't miss this unique opportunity to help build a unique venue in the greater Wausau region. Donating items and branded promotional items are great ways to build brand awareness. There are plenty of opportunities to donate for auctions, raffles and events requiring food and/or beverages. There is also the opportunity to donate services for programs and events.

The Greater Wausau Chamber of Commerce is committed to not only 'Buy Local,' but also helping members save money whenever possible in an ever-changing economic environment. Chamber membership guarantees access to exclusive discounts from Affinity Program Partners. By taking advantage of these discounts, members can see a high return on their membership investment and realize unparalleled savings on these products and services.

Affinity Program Partners must maintain their Chamber membership and offer direct cost-saving and/or value-added benefits to members of the Chamber exclusively. Affinity Programs should have a broad appeal to the membership.
